

E K A T O E S D Principles of the Company

We achieve our common goals by following the below principles in our daily work:

1. We win the confidence of our customers and suppliers by being veridical, impartial and fair and valuing their partnership.
2. With outstanding products and services, we intend to yield profits with which, we can finance innovations and future growth.
3. We are flexible, take the initiative and carry the responsibility, in order to fulfill the requirements of our customers, always in a better way.
4. We respect each other, are helpful and inform one another, in order to facilitate the work.
5. We are responsible towards human beings, nature and environment and safeguard them by our actions.
6. Our executive staffs behaves exemplarily.
7. All employees are adaptive to the changes in processes, so that the company can constantly develop further.
