INVITATION

For several years now EKATO has offered seminars and workshops free of charge that cover topics with respect to process engineering for customers and interested individuals. This year EKATO FORUM would like to invite you to attend our:

CRystallization Days
In Schopfheim, Germany
On February 26 & 27, 2019

at our EKATO Headquarters, Hohe-Flum-Str. 37, 79650 Schopfheim, Germany

- Basics of Mixing in Solid-Liquid Systems
- Mechanical Aspects of Agitator Design
- Solid-Liquid Separation
- Advanced Mixing in Crystallization Processes
- Optimization & Troubleshooting
- Laboratory Demonstration
- Shop Tour

We invite you to our seminar in our new head office building at the EKATO Group headquarters to learn about latest trends in crystallization technology and to meet people and experts from the industry. We are looking forward to seeing you!

Target Group
Process engineers, project managers as well as persons responsible for process development, production, agitated processes

Objectives
In this workshop we will show how to design mixing tasks, current trends and developments in mixing technology as well as possibilities for optimization of existing plants

WHAT YOU CAN EXPECT FROM AN EKATO SEMINAR …

- **Seminar times**
  
  First day: 16h00 until approx. 20h30 welcome, presentations, get-together
  Second day: 08h30 until approx. 15h30 including breaks

- **Provision of food and drinks**
  
  The day begins with a welcome coffee. A small snack and coffee will be offered during the breaks. Beverages for your refreshment are available all day, as well as a lunch buffet.

- **Materials for the seminar**
  
  Each seminar provides detailed information, a writing pad and pen for taking your own notes. For the laboratory demonstration safety shoes and safety glasses are mandatory. We recommend you to bring your own personnel safety equipment.

- **Registration**
  
  The number of participants for each seminar is limited. Registrations will be considered in order of their submission. Please register as soon as possible so that we can reserve your place. You will receive a confirmation directly after your registration. Further information such as a detailed seminar program and directions concerning the venue and how to get there will all be provided prior to the seminar.
  
  We hope you understand that we reserve the right to cancel the seminar at short notice on such grounds as force majeure or any other major unforeseen circumstances.

- **Participation fee / cancellation**
  
  The EKATO Seminars are free of charge. Should you not be able to participate in a seminar for which you have booked, then we request that you cancel your reservation in good time so that your place can be offered to someone on the waiting list.

- **Information and Registration**
  
  For further and detailed information about this seminar, please contact Julia Augustin, Tel.: +49 7622 29-266, email: seminar@ekato.com
